100% Attendance

Dear Parents and Carers,

We are delighted to let you know about a special celebration for children who achieve **100% attendance.**

On Thursday 22nd October, children with **100% attendance** will be invited to take part in a special treat session during the school day. Our School Council have helped to choose the activities, and children will be able to enjoy a selection of fun options such as bracelet making, colouring and crafts, along with a small sweet treat.

This celebration is one of the ways we are recognising excellent attendance and helping children understand that every day in school matters. Regular attendance supports children to build strong routines, take part fully in learning and enjoy all the opportunities school has to offer.

We know that children can sometimes be absent for genuine reasons, including illness, and we appreciate families continuing to work with us to support good attendance wherever possible. We are very proud of the children who have achieved **100% attendance** and look forward to celebrating with them on Thursday 22nd October.

Thank you, as always, for your continued support.

Kind regards,

Emily Smithard
Vice Principal
Sandringham Primary School

Every day counts
