Creating a Safer Environment around Schools

Dear Parent/Carers,

Please see below information received from Doncaster Council regarding parking around school & the placement of enforcement cameras.

“Parking on the ‘school keep clear’ markings outside schools in the mornings and afternoons is a significant safety issue and results in many complaints being received by both our parking services and communities. With usual enforcement options proving to be only mildly effective in term of impact, Doncaster Council has procured a modern system for the purpose of daily enforcement of school keep clear markings.

The Council has decided to introduce camera enforcement.

The cameras will be operated during school times and will only be used for enforcement purposes on the keep clear restriction and any nearby clearway bus stops. Residential properties will be obscured with a private filter and only trained Civil Enforcement Officer will review the footage to action.

Please note that there is no exemption for buses/coaches on these restrictions.”

Any comment or concerns regarding the above should be sent directly to Doncaster Council by emailing enforcementteam@doncaster.gov.uk. Sandringham Primary School will be unable to assist with any queries relating to the cameras.

Yours sincerely,
Mr C Metcalfe
Principal
