

08 June 2022

**Sponsored Event for Cystic Fibrosis**  
**Friday 17<sup>th</sup> June 2022**

Dear Parents/Carers,

On Friday 17<sup>th</sup> June 2022 we would like to raise awareness and raise money for the Cystic Fibrosis Trust. We have a child in our school who has cystic fibrosis and we would like to help raise awareness and also raise money for such a good cause and one within our school community.

Life with CF can be tough. Unpredictable. Limiting. Every day there are different challenges to face, obstacles to overcome and barriers to break down. That's why this year during #CFWeek we want you to join us as we unite and ask pupils and staff to come to school dressed in yellow, which we hope will be our biggest and brightest fundraising day of the year!

During the week we will be sharing stories of how, despite everything that's thrown their way, they are juggling the ups and downs of CF with courage and resilience.

Donations can be made via your ParentPay account. The money raised will be used in the following ways:

**£50** could help fund crucial research that is leading the way to life-changing new treatments and medication for people with CF.

**£350** could pay for a Health and Wellbeing grant to help someone buy the things they need to live well with CF.

**£1,500** could run the Helpline for a week, making sure people with CF, and their loved ones, have somewhere to turn for vital information and support.

More information about Cystic Fibrosis & the charity can be found at [www.cysticfibrosis.org.uk](http://www.cysticfibrosis.org.uk)

Thank you for your continued support.

Yours sincerely,  
Mr C Metcalfe  
Principal
