

21<sup>st</sup> November 2025

Dear Parents and Carers,

We are excited to share that we are currently developing a new learning area in school designed to promote speaking, listening and positive interactions between children. To help resource this space, we would be extremely grateful for any donations of unused household items that you may have at home.

We are looking for everyday items such as:

- Cutlery, pans and utensils
- Mugs, cups and plates
- Tablecloths, placemats and napkins
- Clocks, vases, baskets or magazine racks
- Photo frames, artificial plants
- Story telling chair

If you have any of these items (in good, clean condition) that you no longer need, we would really appreciate your support. Donations can be handed to your child's class teacher and will then be passed on to the project team.

Thank you so much for supporting this initiative and helping us create a rich, interactive environment for our pupils. Your contributions make a real difference.

Yours sincerely,

Mrs Smithard  
**Vice Principal**
