

Dear Parent/Carer,

As part of Sandringham primary Schools involvement with the Modeshift Active Travel project, we have organised a **Playground Cycle Skills Session** for the Year 2 and Year 3 children on Tuesday 24<sup>th</sup> March 2026. This is a session for children who can already ride a bike but need to develop their cycle skills. The children will practise their balancing, braking and general bike handling skills through a series of fun cycling games, designed to help them develop into more skilful & safer cyclists.

It is important that all bikes should be in **good working order**.

This means the bikes need to have:

- Good working front and rear brakes.
- Inflated tyres – punctures cannot be repaired, as time does not allow for this.
- Good working pedals.
- A frame with no cracks on the welded joints.
- A Well-oiled chain.
- Secure saddle & handlebars.

**Your child must have a correctly fitting helmet to take part in this session.**

Please also ensure your child dresses for the weather. Appropriate footwear should be worn (no open toe sandals/flip flops, heels, loose fitting shoes etc).

Please return the slip below by Friday 13<sup>th</sup> March if you would like your child to take part.

Many thanks,

Matt Farmer  
Active Travel Officer in Schools  
City of Doncaster Council

---

I \_\_\_\_\_(parent/guardian) give permission for my child \_\_\_\_\_ in year 2/3  
To take part in the cycle skills session on Tuesday 24<sup>th</sup> March 2026.

I confirm that my child has a bike in full working order and a correctly fitting helmet to bring on the day.

Signed \_\_\_\_\_
