

14 May 2026

Y6 SATS Fun Day

Dear Parents/Carers,

Following the children's hard work and fantastic attitude during SATs week, we would like to reward our Year 6 pupils with a special **Year 6 Fun Day on 15th May 2026. (Tomorrow)**

The children have worked incredibly hard in preparation for their tests and we are extremely proud of the resilience, determination and positive attitude they have shown throughout the year, but particularly this week during the testing period. The day will be an opportunity for them to relax, celebrate their achievements and enjoy some well-earned downtime together.

As part of the day:

- Children may come to school in **non-uniform**.
- Comfortable clothing is encouraged — and yes, **Mrs Sutton is already looking forward to coming in her pyjamas!** 😊
- We will be purchasing pizzas for the children to enjoy late afternoon.
- The day will include a range of fun, relaxing and wellbeing-focused activities.

Thank you, as always, for your continued support throughout SATs week. We are incredibly proud of all the children and are looking forward to celebrating their hard work together.

Kind regards,
Year 6 Team
