

06 October 2022

**Rugby League World Cup**  
**Monday 17<sup>th</sup> October 2022**

Dear Parent/Carer,

RLWC2021 is now just under 2 weeks away and the excitement and buzz around the City is ramping up!  
Please see information and timings below in readiness for the game on the 17<sup>th</sup> October, France Vs Greece:

- The gates for the stadium will open at 6pm.
- As mentioned, all 16 schools will be involved in the pre-match parade. (All children can take part in the parade with their child ticket).
- **All children and teachers to meet promptly at 6.15pm at the North stand, rear of the rugby posts.** The teachers attending from our school are Miss Briggs and Miss Tingle, please look out for them! Staff/volunteers will be on hand to help chaperone and help direct everyone into position.
- We will then head into the soccer centre changing rooms.
- We will then have a chat through the plans for the parade to ensure everyone is aware of their roles.
- Children to wear suitable clothing, as it will more than likely be a cold evening.
- **Tickets are in the process of being sent through to us and printed. We will then hand these tickets to your child's class teacher once they are ready for distribution.**

If you have any queries please do not hesitate to contact us.

Yours sincerely,  
Mr C Metcalfe  
**Principal**
