Reading books for home & school

Dear Parent/Carer,

We know how much our children love to read and we are always looking for ways to expand our libraries within school.

We have been given a fantastic opportunity from lovereading.com to earn free books for school.

If you are buying new books for your child(ren), please visit www.lovereading4kids.co.uk for children's books and www.lovereading.co.uk for adult books.

All books are priced at **10% off RRP** and school will receive **25% of the cover price** to buy more books for school.

As you pay, you will be given an option to select a school. If you type in the school postcode in this box (DN2 5LS) Sandringham Primary School will come up. You can then select Sandringham to automatically receive **25%** of the cost of your books - **at no extra cost to you** - for the school to spend on books for the children. This is a fantastic way to add more books to our libraries so any help would be very much appreciated.

Thank you for your continued support.

Yours sincerely,
Mr C Metcalfe
Principal
