

10 March 2023

Park Walk

Dear Parent/Carer,

As part of our 'In the garden' topic Nursery will be having a walk to the local park on **Tuesday 21st March 2023**.

The children will need to attend school at their usual Nursery start time and will be ready to collect for their usual finish time. The walk to the park, activities and return walk will take around 1 hour.

Children should still attend wearing school uniform. They should wear sensible shoes (e.g. wellies if it is very wet) and a coat.

Children will have their normal snack time when they return to school. No further resources or money are required.

Thank you to all the parent volunteers who are attending to support us on this trip. If you have volunteered the class teacher will shortly be handing out reply slips to confirm your attendance on the trip.

Yours sincerely,
Natalie Stringfellow
Assistant Principal & EYFS Leader
