## Christmas/Favourite Jumper Day Thursday 7th December

Dear Parent/Carer,

Our School Council is one of the ways we gather 'pupil voice'. School Council gives our children the opportunity to provide feedback on school life but also to make decisions on what we do. As part of this responsibility, they have recently planned for the following event:

The School Council are excited to support "Save the Children" this Christmas. We are asking fellow pupils and staff to wear their Christmas or favourite jumper on **Thursday 7th December.** 

<u>Pupils should come to school wearing their usual school uniform, swapping their school cardigan/jumper</u> for their Christmas or favourite jumper.

A donation of £1 would be most welcome. This can be done via ParentPay or via our Save the Children donation page - <a href="https://christmas.savethechildren.org.uk/fundraising/CJD230013969">https://christmas.savethechildren.org.uk/fundraising/CJD230013969</a>

Please show your support and help others this Christmas.

Yours sincerely,
The School Council

Donations are optional, and children may participate without a donation. I am though impressed that our pupils are eager to keep others in their thoughts despite the excitement that this time of year brings. I will therefore be searching for my festive jumper ready for this event!

Yours sincerely, Mrs Smithard Vice Principal
