Get Bright Day – 21st November 2025

Dear Parents/Carers,

As the darker nights are drawing in and the weather is beginning to change, it is time for our '**Get Bright Day.**'

This year 'Get Bright Day' will be held on **Friday 21st November 2025**. To support with the day, we ask that children come to school dressed as brightly as they can in order to promote the importance of '**Be Bright, Be Seen**' as the evenings start to get darker. During the day the children will be involved in a range of activities to raise awareness of how to stay safe and be seen.

There will be a prize for the brightest child in each class and even the brightest member of staff!

Thank you for your support.

Yours sincerely,

Mrs Shepherd
Sustainability Lead
