Cooking in School Contribution

Dear Parents/Carers,

We would like all the children in our foundation classes to have the opportunity to cook, bake and try new foods in school. The children are always highly engaged and excited about these opportunities and they develop many skills too!

Nursery children will be baking and making each half term. In order to fund this experience, we would like to request a voluntary contribution of £1.50 per half term. Therefore, could you please make a voluntary contribution of £6 for the Spring and Summer term via ParentPay.

If you require any assistance accessing your ParentPay account please speak with the main office.

If you would like to help out with baking in school, please let the teacher know – you will be made very welcome and your child will be thrilled!

Thank you for your support.

Yours sincerely,

Mrs N Stringfellow
