**World Book Day Thursday 5<sup>th</sup> March 2026**

Dear Parents/Carers,

We are inviting all children to dress up as their favourite book character on World Book Day.

Dressing-up works best when it helps children:

- ❖ talk about books they have chosen themselves
- ❖ recommend stories to friends
- ❖ feel confident sharing ideas
- ❖ see reading as social and enjoyable

Costumes are not the goal. Enjoying books is what matters. We appreciate not all children will want to dress up so this is an optional event where normal clothes or pyjamas are a perfect choice too.

We look forward to celebrating world book day together.

Kind regards,

Mrs Stringfellow

Assistant Principal
