Childrens University – Reading Miles

Dear Parent/Carer,

After the success with KS2, Children's University have once again teamed up with the National Literacy Trust to encourage children to read. Children in Year 1, Year 2 and Year 3 will come home this week with a free CU book bag, with stationary and a reading miles map.

- Each time your child reads for 10 minutes, please initial and date the destination.
- Every time they reach a landmark, their Teacher will give them a sticker for their map.

Once they have collected all 12 stickers and reached the final destination, they will receive a certificate and a graduation craft set.

As long as your child is reading for 10 minutes, you can initial the map at the same time as your child's usual reading diary. Children should bring their map to school every day as they can reach destinations during the school day as well as at home.

All children taking part in the reading challenge, will also receive hours added to their CU online account. Children will also receive an extra stamp for completing the wanted poster within their pack. Wanted posters should be handed in to the class teacher for a chance for their poster to be displayed in the libraries around school.

Once your child has completed the Reading Miles Map, we would love to see a photo of your child wearing their 'make your own' cap, holding their certificate. These can be posted on your child's Seesaw account and can be shared in class.

If you have any queries, please email admin@sandringham.school or speak with Miss Johnson in the main office.

Yours sincerely,
Mr C Metcalfe
Principal
