

Welcome

TO DOLPHINS CLASS

Hello, my name is Miss O'Brien and I am going to be your teacher in Reception next year.

This will be my first-year teaching at Sandringham Primary School, I am really looking forward to joining such a fantastic team of professional, friendly, kind and welcoming members of staff. I feel very lucky to be teaching the reception class. This opportunity enables me to work with such wonderful children!

I really enjoy working with children as a teacher, experiencing and supporting them doing things on their own for the first time. Watching them grow and develop throughout the year and seeing their smiley faces everyday are some of my favourite things about being a teacher. It is a privilege to be a part of the children's journey, helping to shape who they are, encouraging them to achieve their full potential.

I enjoy designing an exciting and welcoming learning environment with lots of open-ended resources for exploring, creating, and imagining! I love setting up activities children can use to learn through play both indoors and outdoors. Through these activities, children can lead their own play, build independence, be active and develop new language through lots of talk and interaction with adults. I love story time and singing songs!

In my spare time I enjoy going to the gym and going on walks with my little dog Toby! My favourite thing to do is going on relaxing holidays, I also enjoy watching Football. I am really looking forward to getting to know all the children who will be in my class. We will have lots of fun, exploring all their interests and ideas, learning, playing and working together. .
