Reception PE lessons

Dear Parents/Guardians,

After our Christmas break, children in reception classes will be starting PE lessons. In order to have a safe PE lesson, children will need to wear an appropriate PE kit. This consists of:

- White t-shirt
- Black/navy blue shorts

The children will need to bring their PE kit in a bag on their PE day (see below). They will get changed in school and take their PE kit home at the end of the day. The children will not need any pumps or outdoor PE kit during this academic year. We also ask that children with medium/long hair have their hair tied back for the day and any large clips are avoided. Jewellery should not be worn and any pierced ears will need to be taped prior to school or you can provide plasters for adults in school to cover earrings.

Miss Blakemore's class will have their PE lesson on a **Tuesday**.

Mrs Shepherd/Mrs Watts class will have their PE lesson on a **Wednesday**.

Thank you for your support

Mrs Shepherd, Miss Blakemore and Mrs Watts
