Dear Pupil

As we come to the end of our first half term, I would like to tell you how proud I am at how well you have all settled into your new class settings. Moving into a new year group can be a little daunting for some, however, I understand from your teachers that you are all adapting to your new routines and are very eager to learn.

I would also like to thank you for making me feel welcome when I visit academies; I thoroughly enjoy hearing your stories and seeing your excitement as you relay back to me what subjects you have been learning about.

Congratulations to our Proud winners this half term, there are many more awards to be presented, don't forget, your teachers are looking for pupils who have demonstrated **Resilience, Motivation, Collaboration, Creativity, Investigation, Teamwork or Evaluation.**

I would like to wish you and your families an enjoyable half term break; please remember to have fun but ensure that you stay safe. I look forward to seeing you when we return in November, eager and ready to continue with our learning.

Yours sincerely

Beryce Nixon
CEO & National Leader of Education

John Blount
Chair of Directors
