Dear Pupils

SATs week

I have received some wonderful reports from your Principals and teachers praising you about the amount of hard work and dedication that you have given towards your learning in preparation for your SATs next week.

I know that you will try your very best, I am confident that your determination and talent will help you to achieve your goals.

I am so proud of you all, I think that you are all amazing and a credit to your academy and to the Trust.

Yours faithfully

Mrs B A Nixon
CEO and National Leader of Education
