

# 2023-2024 Primary PE and Sport Premium Plan

Total amount received: £19,430

## Review of last year's spend and key achievements

Activity / Action	Impact	Comments
Play & Activity Leader to plan and deliver zoned activities at breaks and lunchtime, including the Daily Mile.	All children participate in at least 30 minutes of activity at school in a day through active playtimes and lunchtimes, through daily mile, PE Lessons, After School Clubs and PE Competitions. Activity Leader provides different activities at playtimes and lunchtimes to provide children with the opportunity to participate in physical activity.	This will continue for 2023/2024 due the impact on 100% of pupil taking part in at least 30 active minutes a day.
Training for pupil 'Playground Leaders' with Active Fusion to organise a wider range of peer-led activities at breaktimes and lunch.	Active Fusion have provided training for 50 children across KS1 and KS2 to become Playground Leaders. These children are on a rota and work with other children during their breaktime to provide peer-led activities. These children have developed in confidence and the children have enjoyed playing a range of different activities that the playground leaders have offered.	We intend on completing this again with the next year 5 cohort of children through our Active Fusion coaches in 2023/2024 to sustain this practice.
Improve confidence, teaching and assessment in Gymnastics so that more pupils achieve ARE, in all year groups. Contract with Activ8 (external provider) & Active Fusion (external provider) to provide teachers with in-lesson CPD. Your PE training, online assessment and exemplification materials.	Staff have improved confidence in their Gymnastics teaching through the use of the coaches and therefore are more knowledgeable on how to safely teach gymnastics activities with and without apparatus. This has resulted in children using more apparatus during their gymnastics lessons and also becoming competent ARE/GD gymnasts.	Continue to deliver Your PE in 2023-2024 academic year.  More CPD opportunities are being provided by Active Fusion this year. We will have bespoke CPD for teachers matched to their individual needs.
Play & Activity Leader to plan and integrate preparation for competitions within lunchtime provision.	Children have participated in a range of sporting competitions and have placed in the top 3 more frequently this year.	Continue to attend external competitions throughout the year.

Academy participation in Trust Games. Hired transport to venues.  Delivery of competitions for girls.	Children with SEND and PP children have attended Festival of Sports with Active Fusion that enabled them to participate in a range of activities they won't have played before, developing their confidence in sport. Many PP and SEND children from all year groups have attended After School Clubs this year. Sandringham have participated in many girl's competitions this year, particularly in KS2. The number of girls signing up for After-School Clubs was also high.	To take part in any future opportunities for girls to take part in competitive sports/initiatives.
Improving the quality of PE lessons through having appropriate and the correct quantity	Equipment is more organised and teachers are able to gather equipment for their lessons quickly. Children have the required equipment to be able to participate in their PE lessons.	We need to implement improved storage due to alterations to the building and to increase specialist resources.
Swim Stars extra sessions will be provided for current Y5 pupils – pupils took part in curriculum swimming in Y4 but they did not meet standards due to interrupted lessons due to COVID.	Target partially met. 25m was 83% with other standards at 100%.	In 2023/2024, year 5 children will attend catch-up provision to secure expected standards where this was not met in year 4.

## Key priorities and planning

Action – what are you planning to do?	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Entering a range of competitions and sporting events, through Trust and coaching networks, including subsidising transport costs.	Pupils	3 The profile of PE and sport is raised across school 5 Increased participation in competitive sport	Maintain high participation levels in a broad range of competitions outside of school.	Within subscriptions detailed below.  Transport: £3,500

Procuring additional specialist equipment so that there are sufficient resources to teach all elements of the curriculum.	Teachers, pupils, PE lead	1 increased confidence, knowledge and skills of all staff in teaching PE and sport. 2 Engagement of all pupils in regular physical activity. 4 Broader experience of a range of sports and activities offered to all pupils.	Teacher will have all equipment needed to teach all elements of the curriculum successfully. Pupils will experience the full range of sports within the curriculum.	£500
Fund a Play & Activity Leader to plan and deliver zoned activities at breaks and lunchtime.	Pupils Staff	2 Engagement of all pupils in regular physical activity. 4 Broader experience of a range of sports and activities offered to all pupils.	Sustain the high level of participation in physical activity. 100% of pupils will take part in at least 30 minutes of physical activity a day in school.	£1,925 towards staffing cost (1/2 hour daily)
Training for pupil 'Playground Leaders' with Active Fusion to organise a wider range of peer-led activities at breaktimes and lunch.	Pupils	2 Engagement of all pupils in regular physical activity.	Improve the long-term sustainability of participation in physical activity. There will be twice as many activities available for pupils at breaktimes and lunch.	£0 (within staff CPD costs)
Providing staff with training and support from PE coaches and access to a specialist curriculum (YourPE)	Staff	1 increased confidence, knowledge and skills of all staff in teaching PE and sport.	Improve confidence, teaching and assessment in PE so that more pupils achieve ARE, in all year groups.	£3,810 Activ8 £4,085 Active Fusion £550 YourPE
Year 5 children to attend catch-up swimming provision to secure expected standards where this was not met in year 4.	Pupils	Additional Swimming Provision	Pupils will be able to swim competently and confidently by the time they leave primary school. 90% of pupils to meet swimming standards.	£4,060 swimming subscription
Participation in Daily Mile.	Pupils	2 Engagement of all pupils in regular physical activity.	Sustain the high level of participation in physical activity. 100% of pupils will take part in at least 30 minutes of physical activity a day in school.	£0

## Swimming data

Meeting national curriculum requirements for swimming and water safety for current Year 6 cohort

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	82%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	82%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	98%
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No

## Key achievements 2023-2024

Activity / Action	Impact	Comments
Entering a range of competitions and sporting events, through Trust and coaching networks, including subsidising transport costs.	Children have participated in a range of sporting competitions and have placed in the top 3 more frequently this year, including 2 x 1 <sup>st</sup> places. Children with SEND and PP children have attended Festival of Sports with Active Fusion that enabled them to participate in a range of activities they won't have played before, developing their confidence in sport. Many PP and SEND children from all year groups have attended After School Clubs this year. Sandringham have participated in many girls' competitions this year, particularly in KS2. The number of girls signing up for After-School Clubs was also high No children were unable to take part in competitions due to cost.	We intend to continue this strategy next year.
Improving PE resource storage.	Equipment is better organised and teachers are able to gather equipment for their lessons quickly. Children	This cost is not needed for next year.

	have the required equipment to be able to participate in their PE lessons	
Procuring additional specialist equipment so that there are sufficient resources to teach all elements of the curriculum.	Pupils in all year groups have access to the equipment they need to access the curriculum.	This cost is not needed for next year.
Fund a Play & Activity Leader to plan and deliver zoned activities at breaks and lunchtime.	All children participate in at least 30 minutes of activity at school in a day through active playtimes and lunchtimes, through daily mile, PE Lessons, After School Clubs and PE Competitions. Activity Leader provides different activities at playtimes and lunchtimes to provide children with the opportunity to participate in physical activity.	We intend to continue this strategy next year.
Training for pupil 'Playground Leaders' with Active Fusion to organise a wider range of peer-led activities at breaktimes and lunch.	Active Fusion have provided training for 50 children across KS1 and KS2 to become Playground Leaders. These children are on a rota and work with other children during their breaktime to provide peer-led activities. These children have developed in confidence and the children have enjoyed playing a range of different activities that the playground leaders have offered.	School staff are trained to deliver this to pupils, improving the sustainability of the strategy. This is scheduled to take place in the autumn term.
Providing staff with training and support from PE coaches and access to a specialist curriculum (YourPE)	Staff have improved confidence in teaching of individual areas of weakness through the use of the coaches and therefore are more knowledgeable on how to teach high quality lessons.	We intend to continue this strategy next year and 5 x teachers are new to school.
Year 5 children to attend catch-up swimming provision to secure expected standards where this was not met in year 4.	82% of pupils met the 25m and efficient stroke standards. 98% met the self-rescue standard.	This will continue into the next academic year to provide pupils with a second year of curriculum access to swimming.
Participation in Daily Mile.	All children participate in at least 30 minutes of activity at school in a day through active playtimes and lunchtimes, through daily mile, PE Lessons, After School Clubs and PE Competitions. Activity Leader provides different activities at playtimes and lunchtimes to provide children with the opportunity to participate in physical activity	We intend to continue this strategy next year.
