Term 1B

A message from our Principal – Mr Metcalfe

Dear Parents and Carers,

As the term draws to a close, I wanted to take a moment to reflect on what a wonderfully busy and successful half term it has been at Sandringham Primary School.

It is with immense pride that I look back at the fantastic achievements of our pupils. Our school community shone brightly at the beginning of the half term during the Exceed Social Justice event, where our pupils delivered an excellent performance that showcased their talent and commitment to important values. Beyond the stage, our dedicated Junior Leadership Team has been working incredibly hard, spearheading a fantastic fundraising initiative to purchase a new friendship bench for the playground. This project embodies the caring ethos of our school. We have again enjoyed further sporting successes, including placing second in the inaugural Year 6 swimming gala.

The spirit of the season has been perfectly captured by our youngest children in the early year's nativity and the delightful Key Stage 1 Christmas performance. These have been enhanced by our orchestra and choir's performances at a variety of locations, including this week's Candlelight Concerts. These events were a joy for everyone and a testament to the hard work of the children and staff.

Finally, a sincere thank you for your incredible generosity with your donations in the raffles. Your support makes a real difference to the school and is deeply appreciated.

On behalf of all the staff and pupils of Sandringham Primary School, I wish you a very Merry Christmas and a peaceful and happy New Year.

Yours sincerely,

Mr Metcalfe
Principal

Class Attendance

Bears:	93.17%	Dragons:	96.02%
Dolphins:	96.17%	Unicorns:	94.96%
Whales:	92.21%	Phoenix:	92.79%

Safeguarding Support During the School Closure

Where you believe there is immediate risk of significant harm the police should be contacted on 999.

To discuss any concerns with school staff phone our main school number 01302 361880 (Monday to Friday: 8.00am-4.00pm in term time) or email safeguarding@sandringham.elp.org.uk (monitored during school holidays).

General information and support is available from Doncaster Safeguarding Children Partnership.

For urgent safeguarding concerns please call the Duty team on 01302 737777.

If you have urgent concerns regarding a child or young person's mental health, please call the DCST's Duty Team on 01302 796191.

NHS health information is available from www.nhs.uk/live-well/is-my-child-too-ill-for-school. The School Nursing Team can be contacted on 01302 566776.

Celebrations

Exceed Christmas Card Competition

Thank you to everyone who took part in our recent Trust Christmas Card competition. We were delighted by the creativity, effort and festive spirit shown in all!

Congratulations to our runner up Lilianna in Y6 on a fantastic and festive entry that truly captured the spirit of Christmas. Well done to all who entered, and thank you for helping us spread some Christmas cheer!

Trust Council Christmas Card Competition

A special mention to Harmandir in Year 6 and Harry in Year 1 for winning the Sally Jameson MP Christmas Card Competition, we are so proud of everyone that entered!

Christmas Services @ St Aidan's Church

The children attended St Aidan's Church for a special Christmas service. The service focused on retelling the Christmas story as well as singing a selection of festive songs! It was a joyful opportunity for the children to come together! We are very grateful to St Aidan's Church for welcoming us so warmly, and the service was a meaningful and memorable experience for everyone involved.

Candlelight Concert

Our Candlelight Christmas Concert was a magical and festive evening that brought our school community together to celebrate the joy of the season through music. The concert showcased the talents of our school orchestra and choir. We are extremely proud of our students and grateful to the families and staff who came along to support them. It was a beautiful celebration of music and community!

Remembrance Service

The children participated in our school's Remembrance Service. They produced thoughtful and meaningful displays to commemorate those who gave their lives in service.

Children in Need

This year for Children in Need, our lunchtime team helped make the day extra special by creating lots of fun for everyone. The dining hall was filled with colour and excitement as pupils enjoyed delicious spotty sponge cake and a range of themed treats prepared especially for the occasion.

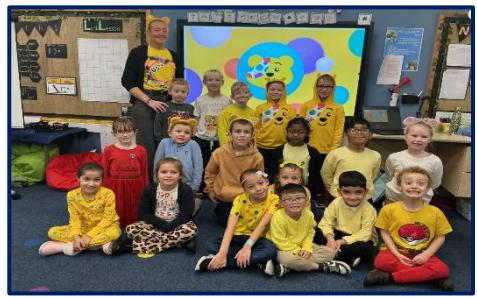

Mrs. Maddox added to the celebrations by organising a fantastic colouring competition, which saw children across the school taking part and showing off their creativity. She also decorated the hall beautifully, transforming it just in time for lunch and giving the whole space a cheerful feel.

It was wonderful to see so many pupils joining in and enjoying the activities, all while supporting such an important cause.

Children in Need

Our school council organised our Children in Need event this year which was a great success, raising £115 for such a great charity!

Eco-Ambassadors

The Eco-Ambassadors have held their first team meeting this half term in which we discussed our targets for the academic year. Our first target was to re-educate children and staff on the power of recycling and the effects it can have on our planet. We held a recycling theme week last month where all classes took part in recycling assemblies and activities. The Eco-ambassadors were responsible for handing out green dojos to anyone in their class who were recycling correctly. The team really loved this! We also held our annual Get Bright Day, in which the Eco-ambassadors delivered a whole school assembly on the importance of being bright and being seen during the darker months. Next half term, we are hoping to attend a community litter pick with Doncaster Council as this needed to be cancelled this half term due our lovely Great British weather last month! We are also going to be focusing on food wastage and how we can reduce this in school. It is lovely to see some passionate young people in the team who want to actively make a change to our planet.

Student Exceed Council

Several members of our school council were recently invited to join representatives from other school councils across the Trust to collaborate on a special Remembrance project. Working together, the students shared ideas, created thoughtful pieces, and contributed their own unique perspectives to honour the occasion.

The resulting artwork was truly outstanding. Their collective efforts were showcased in a dedicated display at both the Trust office and Hall Cross, where visitors, staff, and students had the opportunity to admire the creativity, respect, and reflection shown through each piece.

Music

This half term has been incredibly busy and uplifting in Music across school. Our pupils have been working hard in preparation for our Candlelight Concerts on 17th and 18th December, where our school orchestra and choir will be performing a range of festive pieces. Children have shown fantastic commitment during rehearsals and it has been wonderful to see their confidence and musicianship grow.

We were also delighted to take part in the Danum Pyramid Carol Concert at St Mary's Church, performing alongside Town Fields and Park Primary. This annual event is a special tradition for our community, bringing schools together to sing and play instruments as one ensemble—showcasing just how universal and unifying music truly is. Although we were small in number on the night, we were certainly big in voice, and represented Sandringham beautifully.

Alongside these performances, our choir enjoyed singing at The House Martin Christmas Fayre at the end of November, spreading festive cheer to families and the local community. We are also looking forward to two more community events: singing at Intake Library and visiting St Mary's Care Home to share the joy of Christmas with residents.

Whitby

Our Year 5 residential to Whitby was a memorable experience for all involved. For many children, it was their first time staying away from home, and they showed fantastic resilience, teamwork and independence throughout the trip.

During our visit, pupils enjoyed a packed programme of activities linked to our English and Geography learning. We explored the Lobster Hatchery, discovering Whitby's important conservation work, and spent time in Pannett Park Museum and Gardens, where the children were able to deepen their understanding of local history and the natural environment.

There was also time for classic Whitby traditions, including souvenir shopping, a spine-tingling ghost walk, and atmospheric storytelling overlooking the harbour. The children behaved exceptionally and represented Sandringham brilliantly throughout the visit.

Charities & Christmas

As a school we have done lots of fundraising this half term, we would like to say a big thank you for your contributions!

Trussell Trust Food bank - thank you for all the food donations for harvest!

Children in Need - £115

Save the Children - Christmas jumper day £124

Christmas fundraising

Thank you to everyone who has supported the Christmas raffles that have been organised over our Christmas events. We have raised £566.98 from the raffles, plus £636 from ticket sales and £63 Christmas wishes - Total - £ 1,265.98. The money raised will be spent on friendship benches for our playgrounds.

Junior Leadership Team

We are very pleased to share this year's successful applicants who were given roles within the Junior Leadership Team this year. Each member of the Junior Leadership Team will play an important part in representing their peers, sharing ideas, and helping to shape school initiatives throughout the year. We are incredibly proud of all the children who put themselves forward and demonstrated such confidence and ambition. They have already been busy planning the rainbow raffle event, in an aim to raise money for a friendship bench on our playground. Congratulations to our new Junior Leaders — we look forward to seeing the fantastic contributions you will make in the year ahead!

Head Pupil	George
Head of mental & physical fitness	Mason, Evie & Oliver
Head of creativity & expression	Kelsey & Faith
Head of enterprise	Ghena & Joel
Head of equity & diversity	Cerys
Head of citizenship & responsibility	Arif
Head of reading	Anna
Chair of the school council	Sushant

Uniform

We allow pupils to wear a range of options linked to our school colours and traditional uniform:

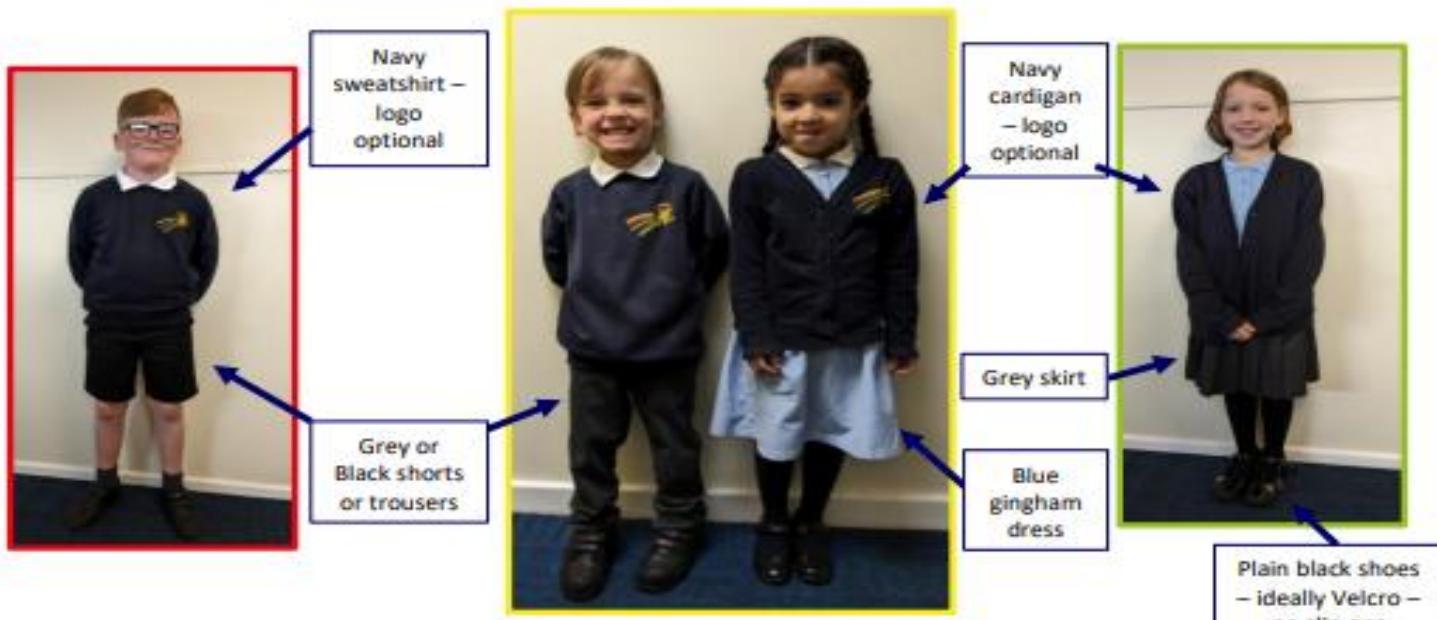

navy blue sweatshirt or cardigan (school logo optional)
white polo shirt (school logo optional) or white blouse/shirt with navy tie (optional)
navy/grey/black skirt or trousers
grey/black school shorts
grey pinafore or blue gingham dress
black sensible school shoes/school trainers (no high heels, slip-ons or sandals, preferably Velcro-fastening for younger pupils)
navy, white or black hair accessories.
cold weather: warm coat, hat and gloves
warmer weather: waterproof jacket and navy, black or white sunhat without logos.

We do not require pupils to wear any items with logos, although these are an option for families who would like this.

We encourage families to adapt uniform to consider their cultural backgrounds or religion.

The school also has specific rules regarding hair styles and the wearing of make-up, nail varnish and nail extensions. This is because we want pupils to focus on their learning. We do not want to encourage an environment where children are competing in terms of their appearance or how "fashionable" they look. Please click [here](#) for further information on our website.

Pupils are not permitted to wear hoodies within school.

PE Kit

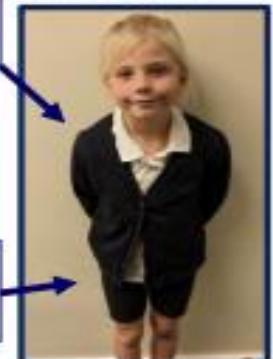

Pupils should wear their usual school jumper on PE days (not tracksuit tops). Pupils in Years 1 to 6 should arrive at school dressed in their PE bottoms and will wear these all day.

Our school PE kit includes:

- usual navy-blue sweatshirt (for outdoor PE, school logo optional)
- usual white polo shirt (school logo optional)
- navy blue/black sports shorts (no logos)
- navy blue/black leggings or tracksuit bottoms (for outdoor PE, no logos)
- plain trainers

School cardigan/jumper & t-shirt

Black/Blue shorts or leggings/plain tracksuit bottoms

Nursery – Bears

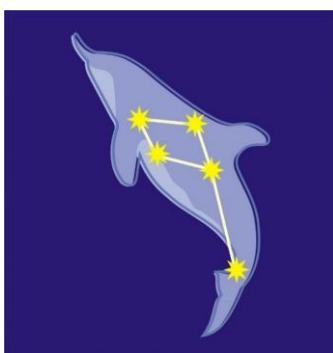

A message from Mrs Stringfellow...

Nursery have enjoyed learning about different celebrations. They enjoyed taking part in their first remembrance service with school and rehearsing for their first Christmas concert.

Next half term, they will be learning about 'People Who Help Us' the children will learn about a wide range of careers and enjoy meeting new people. We welcome parents and family members to come in and talk about their job- please see the teacher to arrange a visit time.

Reminders:

- Please label all items.
- Please ensure children bring their book bags to change books at least 1x a week
- Please send spare clothes in a Sandringham bag including socks
- Please check tapestry at least once a week

Reception – Dolphins & Whales

A message from Miss Wainwright & Miss Blakemore...

What a wonderful half-term it has been! The children have worked incredibly hard and have continued to impress us every day. Here is an update on what we have been learning, as well as key information for next half-term.

What We Have Done This Half-Term

This half-term our topic has been Special Times and Celebrations. The children have enjoyed:

- Learning about important events such as Remembrance Day and Bonfire Night
- Talking about how we celebrate special occasions with our families and friends
- Becoming little scientists, exploring ice melting and freezing through hands-on experiments
- Working very hard on our Nativity performance – we are so proud of every child. Their confidence and enthusiasm shone through beautifully, and the performances were amazing!

Next Half-Term: 'The World Around Me'

Our new topic will be The World Around Me. The children will:

- Explore stories and texts from different countries and cultures
- Learn more about Winter, observing weather changes and seasonal differences
- Find out about our local area, including special places and people who help our community
- Take part in local visits, including a trip to the library and the food bank

We are looking forward to another exciting half-term of learning and discovery!

P.E. Days – Spring 1

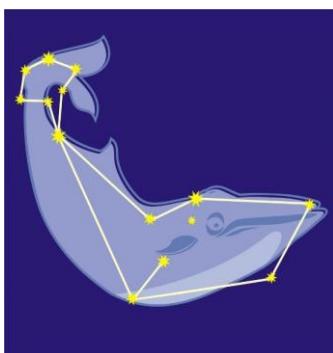

Monday – Both classes

Please ensure your child brings their P.E kit in a blue drawstring bag, clearly labelled with their name.

Reminders & Messages

- Please label all clothing clearly with your child's name
- Book bags must be brought in every day
- Reading books are changed every Monday
- Keep an eye out for further information regarding our local visits next half-term

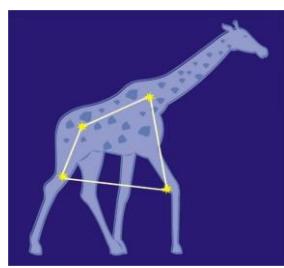

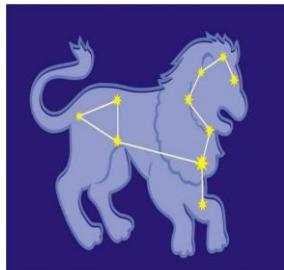

Thank you for your continued support. We hope you have a lovely break and we look forward to welcoming the children back next half-term!

Key Stage 1

Year 1 – Lions & Giraffes

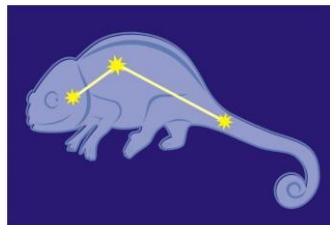

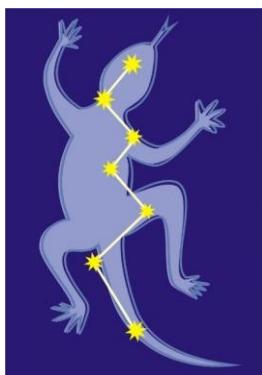

A message from Mrs Smithard, Mrs Waterland & Mrs Shepherd...

This half term we have been super busy! We have been getting creative using primary colours to create some fantastic paintings in our Art lessons. We made a cross-curricular link to our computing lessons where we used primary colours in the style of the artist Wassily Kandinsky to create some digital art using the paint app. We really enjoyed these lessons!

In English, we have been working hard to develop our handwriting and sentence structure skills. We have also enjoyed some fantastic books during our whole class reading sessions. Our favourite was called Lights on Cotton Rock. Next half term, we will be learning all about different types of animals in science and about our British Monarchy during our history lessons.

Our PE days next half term will be Tuesday and Thursday. Could we take this opportunity to remind parents to ensure all items of Winter clothing are labelled with children's names. Also, thank you all for your support with your child's nativity outfits. The children delivered a fantastic nativity and we are really proud of them all!

Year 2 – Lizards & Chameleons

A message from Miss Turner & Miss Derbyshire...

Year 2 have had a busy and exciting term full of learning! In English, we have enjoyed reading Inside the Villains, where we met three familiar storybook characters with a twist. We explored their personalities in depth and wrote a character description of the wolf, incorporating expanded noun phrases. We have also read Traction Man is Here and have been creating our own stories in a similar style, imagining adventures about a magical elf.

In Maths, we have been focusing on place value, working confidently with numbers up to 100. We have also begun our addition and subtraction unit, exploring a variety of strategies. In addition, we have been practicing our 10x multiplication and division facts, as well as our 2x times and division facts.

In Science, we have been investigating living things and their habitats. In History, we started our learning on How did the Doncaster Works put our city on the map? We have explored the life of Sir Nigel Gresley and discovered how both he and Doncaster have contributed to our rich rail history.

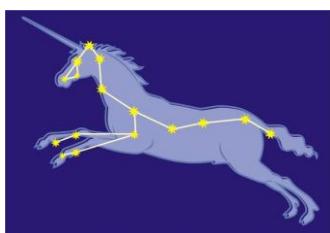

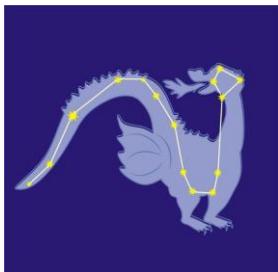

We have thoroughly enjoyed preparing our Christmas performance of The Sleepy Shepherd. It has been fabulous and full of festive cheer!

PE days for next half term will be Monday and Friday. Please remember to send your child to school with a coat and a water bottle every day. Book bags should also be brought in daily, as books are changed on Fridays.

Lower Key Stage 2

Year 3 – Dragons & Unicorns

A message from Mrs Speck & Mrs Oaks...

What you have done this half-term

This half term year 3 have enjoyed our class novel The Iron Man by Ted Hughes which inspired our shared reading lessons, as well as some fantastic descriptive writing and diary entries. In Maths we have been working hard to learn how to add and subtract using column method. In science we have looked at the way our amazing skeletal and muscular systems work together and PE has been dodgeball and the haka.

What you will be doing next half-term

Next half term our English learning will be inspired by The Wild Robot by Peter Brown. We will be building on our multiplication and division knowledge in maths and covering our physics topics in science- forces and magnets and light. Our history next term we will be learning about the Romans and the impact of Rome on Britain.

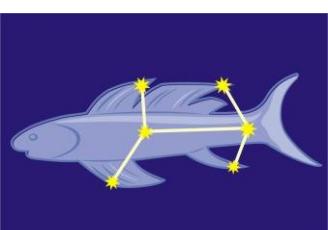

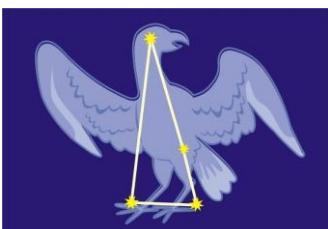

P.E days for next half-term

PE days next half term remain Wednesday and Friday.

Any reminders/messages

Please ensure children come to school in full uniform of dark trousers, skirt or dress, navy blue sweatshirt or cardigan and a white polo shirt. If you need any support with this, please speak to your child's teacher.

Year 4 – Phoenix & Flying Fish

A message from Miss Briggs, Mrs Jenkinson & Ms Clements ...

This half-term, we continued our exciting journey to the Land of Roar, where we met the villainous Crowky and explored what it truly means to be brave, strong, and face our fears. In maths, we focused on understanding area and strengthened our knowledge of multiplication facts. We also enjoyed a fantastic half-term of swimming—every child demonstrated great confidence, showcased existing skills, and even learned brand-new techniques in the water.

Next half-term, we will begin reading Anglo-Saxon Boy by Tony Bradman, using it as inspiration to write our own historical narratives. In Geography, we will be learning all about longitude and latitude before moving onto fieldwork and mapping. Our PE sessions will explore Gymnastics and Dance, while in Art we will be experimenting with printmaking and textiles to create our own Kente cloths.

PE Days: Tuesdays and Thursdays.

Reminders

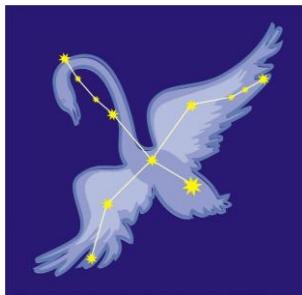

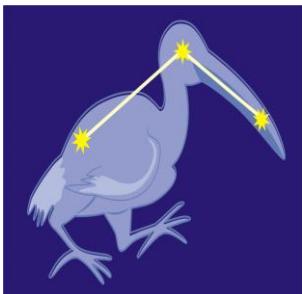

Please ensure children have the correct P.E. kit on both days

Children are expected to read 5 times a week and log reading in your preferred way.

Children need to be practising their times tables on Reflex maths daily.

Upper Key Stage 2

Year 5 – Swans & Toucans

A message from Mr Campbell & Miss Mawson....

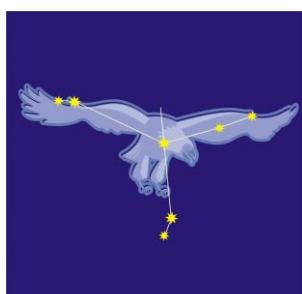

We have had a wonderful half term in Year 5, where the children have been fully immersed in their learning. Our new text, Room 13, has already inspired some brilliantly powerful descriptive writing, with the class producing vivid and atmospheric pieces based on Dracula. Their enthusiasm and creativity have been fantastic to see.

A highlight for many was our exciting trip to Whitby. The children thoroughly enjoyed exploring the famous landmarks linked to our text and taking part in a fossil hunt on the beach. Their behaviour throughout the few days there was exemplary; they were a real credit to the school, showing curiosity, respect, and a positive attitude from start to finish.

Since returning, we have been building on our geography skills by looking closely at ordnance survey maps of Whitby. The children have enjoyed comparing the coastal landscape to Doncaster and discussing the similarities and differences between the two areas.

Looking ahead, we are excited to begin our new science topic on space next half term. The children are already eager to find out more about planets, stars, and the wider universe. A reminder that PE days will continue to be on Mondays and Thursdays.

Year 6 – Doves & Eagles

A message from Mr McCurdy & Mrs Sutton...

Year 6 have had a purposeful and productive half term, showing fantastic maturity as they move further into their final year at Sandringham. In English, pupils have been developing their extended writing through high-quality texts, focusing on tone, structure and viewpoint. Their survival narratives, dual narratives and reports have shown real ambition and progress. In Maths, pupils have strengthened their reasoning and problem-solving, particularly in fractions, percentages and multi-step calculations, and are becoming increasingly confident when explaining their methods during discussion.

A standout highlight of the term was our Social Justice Project, which allowed Year 6 to truly shine. Working with a professional dance school, pupils created a powerful performance blending dance, music, art and spoken word—all themed around Hope, Identity and Unity. Their teamwork, creativity and determination were exceptional, and the final piece was so impressive that it became the talk of the entire Trust. Senior leaders praised the ambition, professionalism and emotional impact of the performance, recognising just how much work the children poured into producing something so meaningful. It was a perfect example of Year 6 “going out with a bang” and *showcasing both their competitiveness and their ability to deliver a polished, moving performance.*

This half term, we also began sharing assessment information with pupils and families to help everyone understand where children are currently working and what their next steps are. Alongside this, our morning booster sessions have continued to grow in strength. These sessions—designed to give targeted support in maths, which we hope to extend to reading, and test technique—are a brilliant opportunity for pupils to revisit learning, fill gaps and build confidence. We are encouraging pupils (and parents) to take increasing responsibility for their learning journey while we continue to provide the very best opportunities for success. As always, we are throwing everything at them (including the kitchen sink!) to help them achieve their potential.

Year 6 have also represented the school superbly in music events, community opportunities and assemblies, consistently demonstrating leadership and responsibility.

Looking ahead to next half term, pupils will continue preparing for SATs with a focus on retrieval strategies, inference, arithmetic fluency and crafting high-quality writing. We will also begin our new curriculum topics and continue building their confidence, resilience and readiness for secondary school. PE days continue to be Monday and Fridays.

Shining Stars Wraparound is now available to book for ENTER DATES. To book your place, visit ParentPay and select either Shining Stars Breakfast or Shining Stars After School to book your required slot. More information can be found at <https://www.sandringham.school/shining-stars-wraparound-care/>

Shining Stars Wraparound Care

Before and After School Provision

Monday - Friday for Reception to Year 6

Breakfast Club - £3.50 – 7:45am – 8:45am
(Includes Cereal, Toast and Fruit)

After School Club - £5.50 – 3:15pm – 5:15pm
(Includes a light snack)

20 places per session
(Sessions can be booked flexibly)

Bookings are now open!

School Meal Menu from November 2025

All school meals should be booked and paid for (where applicable) in advance using ParentPay. We have noticed an increase in the number of pupils where meals have not been ordered. Where lunches are not ordered in advance, it may be necessary to provide your child with the sandwich option only.
