

Thrive Ambassador Schools and Schools of Excellence awards scheme

Does your school showcase exemplary Thrive® practice?

Is your setting an inspirational space where staff go above and beyond to make a positive impact on students and the wider community?

Has your school met the criteria to use the 'We have embraced Thrive' logo?

If so, we'd like to celebrate your extraordinary commitment to developing healthy, happy children by welcoming your school to the Thrive Ambassador Schools and Schools of Excellence awards scheme.

Your school can apply to become a Thrive Ambassador School in one or more of these areas:

Leadership, Right Time, Reparative, Environment and Relational Practice

If your setting demonstrates excellent practice in all five areas, you will be eligible for Thrive School of Excellence which celebrates the overall standard of your settings approach to mental health.

Once you have achieved excellence in all five areas, we will arrange a virtual visit to learn more about all of the amazing things you do while verifying the information provided.

Schools who are successful will be recognised with an exclusive logo along with a certificate and plaque to celebrate their achievements.
