Educational Visit to Eureka Museum, Halifax

Dear Parent/Carer,

As part of our science unit for the Spring term, we have arranged for all Year 3 pupils to visit Eureka Museum on **Thursday, 30th March 2023**.

The children will have the opportunity to have a tour around the museum, exploring a wide variety of interactive exhibits, and gain a further insight into what they have been learning in school. The museum will also be delivering a science show 'The Energy Show' which will link nicely to some work we will be doing about energy, as part of our DT lessons.

To ensure that the trip can go ahead, we are requesting a contribution of **£19.50**, which includes entrance fees, the science show, and transport costs. Payments can be made online via ParentPay or at your local PayPoint with a barcode letter which can be obtained from the main office.

With the cost of living at the moment, we have set up the payment item within ParentPay for you to be able to pay this amount in instalments should you require this option. You will be given 3 options; Pay in full, pay using the recommended instalment plan, or pay your own amount.

Final payments for the visit are required no later than Friday 24th February 2023. At this time, further information, consent & timings etc will be sent to you via email.

We thank you for your continued support.

Mrs Sutton and Miss Briggs
Year 3 Team.
