Year 5 Trip – National Space Centre

Dear Parents/Carers,

As part of our Space topic, Year 5 will be going to the National Space Centre, Leicester, on **Tuesday 8th March 2022**. The children will take part in a range of interactive resources, get to explore a replica rocket, watch a rocket show with explosions and take a tour in the planetarium to see the constellations in our sky.

Children will travel to Leicester via coach and will leave school at 8:15am, arriving back at school around 4pm, where they will need to be collected due to it being out of school hours. Children will need to arrive at school at 8am on the day of the trip to promptly leave at 8:15am. To cover the cost of the visit, we are asking for a contribution of £18.65 which is payable online using ParentPay. Should you require a barcode to pay at your local PayPoint please contact the main office ASAP.

Children will require a packed lunch for the visit, no glass bottles, cans or sweets. If your child is entitled to benefit related free school meals, you will be given the option to order a school packed lunch on the consent link below. Please note school packed lunches must be ordered no later than Thursday 24th February.

Please [click here](#) to consent and pay for the visit by **Thursday 24th February 2022**. Unfortunately, if we do not receive enough contributions, we may be forced to cancel the visit.

Yours sincerely,
Mrs Topping and Mr Campbell
Year 5 Class Teachers
