Welcome to Armthorpe Academy

Armthorpe Academy is not just a school; it's a community where dreams can become reality.

I am thrilled to extend a warm and heartfelt welcome to each and every one of you to the Armthorpe community. As Principal, it is both an honour and a privilege to lead this exceptional educational institution. I am especially excited to welcome our new community into the school, and look forward to building strong relationships with prospective parents and families joining us from the new housing estate.

Our school is more than just a place of learning; it is a vibrant and diverse community where young minds flourish, talents are nurtured, and dreams take root. Whether you are a returning student or a newcomer to our school family, you are a vital part of what makes the Armthorpe Academy special.

At the Armthorpe Academy, we are committed to fostering an environment that promotes academic excellence, personal growth, and character development. Our dedicated team of educators are passionate about creating meaningful learning experiences that inspire curiosity, critical thinking, and creativity. We firmly believe that education extends beyond textbooks and classrooms, and we encourage our students to explore their interests, embrace challenges, and strive for greatness.

As we embark on this new journey, I want to remind you that success is not solely measured by grades or achievements, but by the knowledge gained, the friendships formed, and the character shaped during your time here. Our school is a place where you will discover your potential, learn from your experiences, and build a strong foundation for your future.

I encourage all students to actively engage in the various extracurricular activities, clubs, and programs that the Armthorpe Academy has to offer. These experiences will not only enrich your academic journey but also help you develop essential life skills, teamwork, and leadership qualities.

Parents and guardians, your partnership is invaluable to us. We believe that a strong home-school connection is essential for a child's success. Please feel free to reach out to our dedicated staff with any questions, concerns, or ideas you may have. Together, we can provide the best support for your child's educational journey.

I am excited about the possibilities that this new academic year holds for each of you. Let's work together to make it a year filled with learning, growth, and memorable experiences. Remember, the Armthorpe Academy is not just a school; it's a community where dreams can become reality.

We warmly invite all stakeholders to visit us and see the school in action. I am delighted to invite you to our Open Evening on Thursday, 2nd October from 4.30 PM.

With best wishes,

David Bisley
